Fieldwork Exercise

Questions and Answers Booklet

*Do NOT open the booklet  
before instructed to do so by a supervisor.*

Student number: .....

## Task 1: Commercial use in the old town

45'

- Complete the map below in between Marktplatz, Hauptgasse, Stalden, Schmiedengasse und Gurzelngasse with all the stores for clothing and shoes that can be found on ground floor level. Build useful categories for these shops.
- Describe the distribution found concerning your categories.
- Evaluate the distribution found.

[illegible]

## Task 2: Tourism in the city of Solothurn

45'

Design an attractive spatial concept for the whole “Chantier-Areal”. (This area stretches as a green space between the Baseltor, the Baseltor roundabout towards the Aare and is limited in the south by the Werkstrasse.)

1. This concept should be realized until the end of 2023. The concept should focus on people 65+.
2. Comment on your three main ideas.

There is an A3 sheet available for your sketch.

Please put the comments on task 2 on this page:

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
