

IN LOVE WITH EARTH'S COMPLEXITY?

Climate change is no fake news. Sustainable development is the most important global challenge. Maps and graphs are a source of wonder and awe. **Do you agree?** Join the Geography-Olympiad.

Participate in the Geography-Olympiad, the national competition for high-school students. After the national qualification round at your school, we will invite the top 20 students to the Esri summer camp in the Swiss National Park. Prepared for the Swiss Finals in autumn, you will show your talents and aim for one of the four positions in the Swiss delegation on the International Geography Olympiad iGeo 2019 in Hong Kong.

Schedule:

3-9 May 2018: National qualification at your School

27-31 August 2018: Esri summer camp

Autumn 2018: Swiss Finals

August 2019: International Geography Olympiad
iGeo in Hong Kong

Ask your teacher to register for the qualification.
